### Excursion to Madison.

The arrangements for the excursion to Madison this week Thursday by the Sabbath school and congregation connected with the congregational church are in process of completion, and are such as to justify the belief that it will be highly satisfactory to all interested or participating in it. As they have been reported to us, they are as follows:

The school will assemble at the church at 7 o'clock; the procession of classes and teachers form at 7 1/2 o'clock, and march to the cars.

Excursion train start at 8 o'clock.

Parents of the children and members of the church and congregation who furnish provisions will deliver them at the baggage car at the depot at 7 o'clock. A committee will be in attendance to receive and store them. It is expected that parents of the children attending the excursion will furnish sufficient provisions for their children, and it will be found convenient and conducive to good order for all adults to provide for themselves independent of the arrangements made for the children.

After the arrival at Madison, a procession of all the excursionists will be formed and marched to the capitol park, where the exercises will be: 1. A greeting song by the children; 2. Prayer by Rev. Mr. Green of Madison; 3. Address by Hon. L. P. Harvey; 4. Response by Judge Noggle, president of the day; 5. Song by the children; 6. Address by Mr. J. P. Samuels of Milwaukee; 7. Song—quartet; 8. Address by Rev. M. P. Kinney; 9. Song—"Morn amid the Mountains"; 10. Music by the band.

The arrival of the train at Madison will probably be early enough to permit the completion of these exercises in ample season for an early dinner, and then several hours can be devoted to such purposes as may suit the taste of the excursionists. At the recent excursion of the Baptist church, these hours were among the most pleasant of the day.

The price of tickets for the excursion has been fixed at \$1.00 for gentlemen; 50 cents for ladies; children connected with the school, free; children not connected with the school, 25 cents.

A sufficient number of cars have been, or can be engaged, to accommodate all who may attend.

From the preparations making for this excursion, and the general interest manifested in it, it is believed that the number of excursionists will be as large, if not larger, than have attended any other during the present season, which has been particularly characterized by entertainments of this character. It is designed to afford a day's rational amusement for the older as well as younger members of the family, and a pleasant release from the toils of labor and anxieties of business. The distance to be traveled is not so long as to be wearisome; the city of Madison is one of the most beautiful in the west; the capitol park is unequalled for a purpose of this kind; the country through which the route passes is now in its richest splendor, and a warm welcome is in store from the people of the city to be visited. Surely, such attractions as these, aside from the interest of the occasion itself, are well calculated to assemble a large company, each individual of which will impart while he receives a heart-felt enjoyment.

It can hardly be necessary to say that every precaution which care and attention can afford will be adopted against the occurrence of any accident, and that no effort for the comfort and entertainment of the excursionists will be omitted by those having this excursion in charge. We hope the highly favorable impression made in Madison by the former visit of a Janesville company of visitors will be sustained by this, and that the anticipations excited from the success of that excursion may be fully realized by all who are interested in the contemplated one.

**Sunday School Picnic.**—On account of unfavorable weather, the picnic of the Sunday school and congregation of the Presbyterian church has been deferred until tomorrow (Wednesday). The grounds selected are on the river, north of the residence of J. D. Rexford, esq. Carriages will run from the church to the grounds, from the hours of 9 to 11 o'clock, A. M.

**A Pleasant Gift.**—Mrs. E. J. Goodspeed sends to our office a collection of fruit that in good taste of display, perfection of growth and excellence of quality is unequalled by any of the many good things which our friends have remembered us. If this is a fair specimen of her amateur labors, her success in a horticultural fair would not be doubtful among the most experienced cultivators.

**WORTH LOOKING AT.**—We have now on our table two bottles of gooseberries raised in the garden of S. C. Spaulding, which are well worth looking at as an evidence of what this most prolific of seasons is producing. One of the berries measures 3 inches in its shortest circumference.

**EXCURSION TICKETS.**—Tickets for the excursion to Madison next Thursday may be obtained of J. P. Hoyt, N. Newell, Moseley & Bro., J. C. Echlin, Tallman & Collins, L. D. Jerome, Webb & Lee, J. R. Beale, and J. T. Wright.

**TEMPERANCE LECTURES.**—Peter Sinclair, of Scotland, a lecturer of celebrity and success, will address the Sabbath school children of this city next Sabbath, and speak to adults in the evening. The place where these addresses will be made will be announced hereafter.

An indolent boy, being asked who came latest to school, replied, "Indeed, sir, I cannot say, for I was not there in time to see."

## Half Fare to Beloit.

By the following arrangement of the railroads it will be perceived that those who desire to attend the grand republican mass meeting at Beloit on Friday, will be accommodated at half fare. The departure of two trains from this city, morning and evening, will enable such of our citizens as wish to attend, to participate in at least a portion of the doings of the day and evening:

There will be an excursion train from Milton, connecting with the regular passenger train from Madison, Stoughton and Edgerton for Beloit, on Friday, July 13th, leaving Janesville at 9 o'clock, A. M., connecting at Plymouth with a special train from Monroe and Brodhead. All the trains will meet at Plymouth about 9:15 A. M. Half fare from all parts—sixty cents from Janesville to Beloit and return.

### Resolutions of Number One.

At a special meeting of Rock River Engine Co. No. 1, held at their hall on Monday evening, July 9th, 1860, the following resolutions were adopted:

**Resolved,** That the thanks of this company are, in a special manner, due to Mr. Wm. B. Strong, agent of the M. & M. R. Co., at this place, for his kindness and energy in affording us every facility in his power, to make our visit to Monroe both pleasant and profitable.

**Resolved,** That for the very hospitable manner in which we were entertained by Messrs. Tenney, Stout, West, Goddard and the citizens of Monroe generally, on our late 4th of July visit to that place, they are entitled to our warmest thanks, and they will ever be retained in our memories with the kindest regards and respects.

**Resolved,** That the firemen of Monroe who were unremitting in their efforts to minister to our comforts while celebrating with them the "ever glorious 4th," we are under great obligations, and can only hope that on some future occasion we may be able to reciprocate their kindness in our own city.

**Resolved,** That these resolutions be signed by the foreman and secretary, and published in our city paper.

G. S. STRASSBERGER, Foreman.  
S. FORD, JR., Acting Secretary.

**NEW ARRANGEMENT.**—Messrs. Loomis & Ashcraft, barbers, have formed a partnership, and now propose to carry on the business in as good style and at as cheap rates as any other establishment in the city. They have raised their prices to coincide with other shops and the times. Customers wishing to shave by the month, can be accommodated in that way, which will be cheaper than paying each time. Positive, no credit. Give them a call. jyl3dt.

**MICHIGAN FIREMEN'S TOURNAMENT.**—A great firemen's tournament came off at Battle Creek, Mich., on the 4th. Fourteen engine and three hose companies took part in the trial. On distance, No. 76 of Detroit took the prize, throwing 276 feet and 7 inches. No. 1 of Downieville threw 266 feet and 9 inches. On quantity, Detroit No. 8 threw 52 1/2 bbls., and Jackson No. 2, 46 1/2 bbls. Hose Co. No. 8 of Detroit took the first prize on trial. The best time made in running 80 rods and unreeing and coupling 800 feet of hose, was made by Eagle No. 1 of Hillsdale—1 min. 53 sec. The champion banner was won by No. 3 of Jackson.

### Life Insurance.

Those desiring this useful and cheap protection for their families, can secure it in our Wisconsin company. It has already become, in reality, a state institution, having agents and patrons among the best business men in all the principal towns in the state. It is now longer a matter of doubt that life insurance can be conducted as well in Wisconsin as in Connecticut or any other eastern state.

Wm. A. Kneass, Secretary.  
Messrs. Pinsky & Hawley, produce dealers, and Capt. Gen. S. Dodge will receive applications for insurance in this home company, and will also be happy to give information as to the conditions thereof, to any persons of being informed, in Janesville.

# Half Fare to Beloit.

By the following arrangement of the railroads it will be perceived that those who desire to attend the grand republican mass meeting at Beloit on Friday, will be accommodated at half fare. The departure of two trains from this city, morning and evening, will enable such of our citizens as wish to attend, to participate in at least a portion of the doings of the day and evening:—

There will be an excursion train from Milton, connecting with the regular passenger train from Madison, Stoughton and Edgerton for Beloit, on Friday, July 13th, leaving Janesville at 9 o'clock A. Half fare from all parts—sixty cents from Janesville to Beloit and return.

These trains will all return after the torch-light procession, &c., in the evening. Persons who cannot leave on the morning train, can leave Janesville at eight in the evening, and arrive at Beloit before nine, in time for all the displays. Half fare in this train same as the other.

## Resolutions of Number One.

**Resolved,** That in J. A. Gleissner, mine host of the American House at Monroe, we found the true type of a gentleman, and the very personification of a free-hearted, whole-souled, landlaid; that he merits and receives our thanks for his courtesy and attention to us whilst under his care; that we hope he may live a thousand years and keep the American House—all that time—with his shadow never less.

**Resolved,** That these resolutions be signed by the foreman and secretary, and published in our city paper.

### Excursion to Madison.

The arrangements for the excursion to Madison this week Thursday by the Sabbath school and congregation connected with the congregational church are in process of completion, and are such as to justify the belief that it will be highly satisfactory to all interested or participating in it. As they have been reported to us, they are as follows:

The school will assemble at the church at 7 o'clock; the procession of classes and teachers form at 7 1/2 o'clock, and march to the cars.

Excursion train start at 8 o'clock.

Parents of the children and members of the church and congregation who furnish provisions will deliver them at the baggage car at the depot at 7 o'clock. A committee will be in attendance to receive and store them. It is expected that parents of the children attending the excursion will furnish sufficient provisions for their children, and it will be found convenient and conducive to good order for all adults to provide for themselves independent of the arrangements made for the children.

After the arrival at Madison, a procession of all the excursionists will be formed and marched to the capitol park, where the exercises will be: 1. A greeting song by the children; 2. Prayer by Rev. Mr. Green of Madison; 3. Address by Hon. L. P. Harvey; 4. Response by Judge Noggle, president of the day; 5. Song by the children—"We come, dear friends, to greet you"; 6. Address by Mr. J. P. Samuels of Milwaukee; 7. Song—quartet; 8. Address by Rev. M. P. Kinney; 9. Song—"Morn amid the Mountains"; 10. Music by the band.

The arrival of the train at Madison will probably be early enough to permit the completion of these exercises in ample season for an early dinner, and then several hours can be devoted to such purposes as may suit the taste of the excursionists. At the recent excursion of the Baptist church, these hours were among the most pleasant of the day.

The price of tickets for the excursion has been fixed at \$1.00 for gentlemen; 50 cents for ladies; children connected with the school, free; children not connected with the school, 25 cents.

A sufficient number of cars have been, or can be engaged, to accommodate all who may attend.

From the preparations making for this excursion, and the general interest manifested in it, it is believed that the number of excursionists will be as large, if not larger, than have attended any other during the present season, which has been particularly characterized by entertainments of this character. It is designed to afford a day's rational amusement for the older as well as younger members of the family, and a pleasant release from the toils of labor and anxieties of business. The distance to be traveled is not so long as to be wearisome; the city of Madison is one of the most beautiful in the west; the capitol park is unequalled for a purpose of this kind; the country through which the route passes is now in its richest splendor, and a warm welcome is in store from the people of the city to be visited. Surely, such attractions as these, aside from the interest of the occasion itself, are well calculated to assemble a large company, each individual of which will impart while he receives a heart-felt enjoyment.

It can hardly be necessary to say that every precaution which care and attention can afford will be adopted against the occurrence of any accident, and that no effort for the comfort and entertainment of the excursionists will be omitted by those having this excursion in charge. We hope the highly favorable impression made in Madison by the former visit of a Janesville company of visitors will be sustained by this, and that the anticipations excited from the success of that excursion may be fully realized by all who are interested in the contemplated one.

**SUNDAY SCHOOL PICNIC.**—On account of unfavorable weather, the picnic of the Sunday school and congregation of the Presbyterian church has been deferred until tomorrow (Wednesday). The grounds selected are on the river, north of the residence of J. D. Rexford, esq. Carriages will run from the church to the grounds, from the hours of 9 to 11 o'clock, A. M.

**A PLEASANT GIFT.**—Mrs. E. J. Goodspeed sends to our office a collection of fruit that in good taste of display, perfection of growth and excellence of quality is unequalled by any of the many good things with which our friends have remembered us. If this is a fair specimen of her amateur labors, her success in a horticultural fair would not be doubtful from the most experienced cultivators.

**WORTH LOOKING AT.**—We have now on our table two bottles of gooseberries raised in the garden of S. C. Spaulding, which are well worth looking at as an evidence of what this most prolific of seasons is producing. One of the berries measures 3 inches in its shortest circumference.

**EXCURSION TICKETS.**—Tickets for the excursion to Madison next Thursday may be obtained of J. P. Hoyt, N. Newell, Moseley & Bro., J. C. Fehlin, Tallman & Collins, L. D. Jerome, Webb & Lee, J. R. Beale, and J. T. Wright.

**TEMPERANCE LECTURES.**—Peter Sinclair, of Scotland, a lecturer of celebrity and success, will address the Sabbath school children of this city next Sabbath, and speak to adults in the evening. The place where these addresses will be made will be announced hereafter.

**AN INDOLENT BOY.**—being asked who came latest to school, replied, "Indeed, sir, I came, not say, for I was not there in time to see."

## Half Fare to Beloit.

By the following arrangement of the railroads it will be perceived that those who desire to attend the grand republican mass meeting at Beloit on Friday, will be accommodated at half fare. The departure of two trains from this city, morning and evening, will enable such of our citizens as wish to attend, to participate in at least a portion of the doings of the day and evening:—

There will be an excursion train from Milton, connecting with the regular passenger train from Madison, Stoughton and Edgerton for Beloit, on Friday, July 13th, leaving Janesville at 9 o'clock A. M., connecting at Plymouth with a special train from Monroe and Brodhead. All the trains will meet at Plymouth about 9:15 A. M. Half fare from all parts—sixty cents from Janesville to Beloit and return.

These trains will all return after the torch-light procession, &c., in the evening. Persons who cannot leave on the morning train, can leave Janesville at eight in the evening, and arrive at Beloit before nine, in time for all the displays. Half-fare in this train same as the other.

### Resolutions of Number One.

At a special meeting of Rock River Engine Co. No. 1, held at their hall on Monday evening, July 9th, 1880, the following resolutions were adopted:—

**Resolved,** That the thanks of this company are, in a special manner, due to Mr. Wm. B. Strong, agent of the M. & M. R. R. Co., at this place, for his kindness and energy in affording us every facility in his power, to make our visit to Monroe both pleasant and profitable.

**Resolved,** That for the very hospitable manner in which we were entertained by Messrs. Tenney, Stout, West, Goddard and the citizens of Monroe generally, on our late 4th of July visit to that place, they are entitled to our warmest thanks, and they will ever be retained in our memories with the kindest regards and respects.

**Resolved,** That to the firemen of Monroe who were unflinching in their efforts to minister to our comfort while celebrating with them the "glorious 4th," we are under great obligations, and can only hope that on some future occasion we may be able to reciprocate their kindness in our own city.

**Resolved,** That in J. A. Gleissner, mine host of the American House at Monroe, we found the true type of a gentleman, and the very personification of a free-hearted, whole-souled, landlubber; that he merits and receives our thanks for his courtesy and attention to us whilst under his care; that we hope he may live a thousand years and keep the American House—all that time—with his shadow never less.

**Resolved,** That these resolutions be signed by the foreman and secretary, and published in our city paper.

G. S. STRASBERGER, Foreman.

S. POOR, Jr., Acting Secretary.

**NEW ARRANGEMENT.**—Messrs. Lincus & Ascher, barbers, have formed a partnership, and now propose to carry on the business in as good style and at as cheap rates as any other establishment in the city.

They have raised their prices to coincide with other shops and the times. Customers wishing to shave by the month, can be accommodated in that way, which will be cheaper than paying each time. Positive—no credit. Give them a call. j7d3t.

**MICHIGAN FIREMEN'S TOURNAMENT.**—A great firemen's tournament came off at Battle Creek, Mich., on the 4th. Fourteen engine and three hose companies took part in the trial. On distance, No. 76 of Detroit took the prize, throwing 276 feet and 7 inches. No. 1 of Dowagiac threw 266 feet and 9 inches. On quantity, Detroit No. 3 threw 52 1/2 bls., and Jackson No. 2, 46 1/2 bls. Hose Co. No. 8 of Detroit took the first prize on trial. The best time made in running 80 rods and unreeing and coupling 800 feet of hose, was made by Eagle No. 1 of Hillsdale—1 min. 58 sec. The championship banner was won by No. 3 of Jackson.

### Life Insurance.

Those desiring this useful and cheapest protection for their families, can secure it in Wisconsin. It has already become, in reality, a state institution, having agents and patrons among the best business men in all the principal towns in the state. It is no longer a matter of doubt that life insurance can be conducted as well in Wisconsin as in Connecticut or any other eastern state.

While duty demands that men should insure their lives, it also demands that they should keep their money for investment at home. Confident that our success has been more than equal to that of the most "unprecedented," we would cordially invite our citizens to call at the office, southeast corner of Main and Wisconsin streets, and examine for themselves.

S. S. DAGGETT, President.

A. W. KELLOGG, Secretary.

**AGENTS.**—Messrs. Pyley & Hallow, produce dealers, and Capt. Geo. E. Dodge, agent of the Wisconsin Life Insurance Co., will be happy to give information as to the condition thereof, to any one desiring of being informed, in Janesville.
